Approval Date: 7/2/2025 12:00:00 AM

Property Location: Common Area Parcel SSSS Lakota St

This report and any approval of compliance with defensible space requirements is based on the condition of the Property Inspected as of the Date of Inspection. Property owners are advised that defensible space requirements, including the responsibility to maintain defensible space from structures, apply throughout the year.

If you receive a Notice to Abate Fire Hazard after the date of this Compliance Report, additional defensible space work may be required. Please contact the fire station listed on the Notice to Abate Fire Hazard for more information.

This report may be disclosed as documentation that the Property Inspected complies with

Public Resource Code Sec 4192, Government Code Sec 51182 or the VCFD Fire Hazard Reduction Program (FHRP) (i.e., the Department's vegetation management ordinance) as of the Date of Approval as required by California Civil Code section 1102.19.

Requirements for defensible space, fire hazard clearance, and general fire safety can found on our website at VCFD.org or VCFHRP.org

Advisory Notice: If you sell or transfer your property, you must notify the new owner of the requirements regarding defensible space and to maintain the property clear of any fire hazard. To receive future notices, you must notify the Ventura County Assessor's office of any mailing address change.

Thank you for completing the defensible space and fire hazard clearance on your property. For questions regarding this report, please contact the FHRP Unit at 805-389-9759 or fhrp@ventura.org
